

Dear Student,

I am very pleased to advise that fully vaccinated international students can now travel to Queensland without the need to quarantine.

If you are currently offshore and prefer to study English via online classes, you can continue to do this and there is nothing else you need to do.

## **If you want to come to Australia, what does this mean for you?**

If you are **currently studying** English online and **want to come Australia**, you can start planning your trip.

If you have **already booked a flight to Australia**, contact [admissions@uqcollege.uq.edu.au](mailto:admissions@uqcollege.uq.edu.au) to inform UQ College of your arrival date.

Where possible, you should plan to arrive in Australia as close to the start of a new teaching session. Upcoming session start dates are as follows:

- Session 2: 14 February
- Session 3: 21 March
- Session 4: 26 April

## **Late Arrivals**

**Before end of week 2** – we will place you in the face-to-face class.

**After week 2** – you may need to remain in your current online class until the next session commences. This is managed on a case-to-case basis.

For entry into Queensland, you are required to:

- Be fully vaccinated with a completed dosage of a vaccine approved or recognised by Australia's Therapeutic Goods Administration (TGA)
- Hold a valid visa
- Provide proof of your vaccination status
- Take a COVID-19 test within 24 hours of arriving

For further information visit [Study Queensland](#) pre-departure plan

Safety plans at UQ and UQC include:

- Only fully vaccinated staff, students and visitors are permitted to attend UQ campuses
- Use of COVID check in app
- Staff and students to stay at home if they have any flu/COVID symptoms
- Room capacity reduced to enable social distancing
- Student desks at least 1.5m apart
- Teachers and students to wear face masks when social distancing cannot be maintained.
- Hand sanitizer available in all classrooms and other public areas.

We look forward to welcoming you to UQ College.

Warm Regards,

Janet Nibbs
