

Dear Student,

Great News!! I am very pleased to advise that face-to-face (F2F) English classes will start from Monday 14 February 2022.

What does this mean for you?

Because you are in Australia, you **must** attend F2F classes from Monday 14 February. If you do not attend F2F classes, you will be breaking your Student Visa conditions and your enrolment may be cancelled.

Vaccination will be a key measure for the University to minimise the impacts from the inevitable spread of COVID-19.

Therefore, from 14 February 2022, anyone attending UQ campuses, sites or facilities **must** be fully vaccinated – with an approved TGA vaccine – against COVID-19.

You should have received an email requesting a declaration of your vaccination status via a secure online UQ portal. The declaration should be completed as soon as possible – **no later than 11.59pm Sunday 13 February 2022**. Please contact Student Services admissions@uqcollege.uq.edu.au if you have not received this email.

More information will be sent to you shortly about where your classes will be held. If you have any further questions, please contact us support@uqcollege.uq.edu.au or ph. 3346 6770

We look forward to welcoming you to the UQ College Campus on Monday 14 February.

Janet Nibbs
Manager Student Administration
