

## Bridging Program

Mathematical Methods,  
Biology, Chemistry and Physics

Do you need to gain a prerequisite in Mathematical Methods, Biology, Chemistry or Physics for entry to a program at the University of Queensland? UQ College offers intensive short courses in a Bridging Program over 4 weeks.

Upon successful completion, you will be issued a Statement of Attainment that satisfies prerequisite requirements at UQ or other universities.

THE UNIVERSITY  
OF QUEENSLAND  
AUSTRALIA

## Program Details

### Timeframe

4 weeks (intensive)

### Timetable

Monday - Friday 9.00am - 5.00pm  
(optional Saturday tutorials are also offered)

### Start Date

Monday 20 November 2023

### End Date

Friday 15 December 2023

### Fees

\$1500 per course

### Course Materials

All course learning materials are supplied. Students are required to bring a laptop or tablet to all sessions.

### Location

The University of Queensland St Lucia campus (Sir Llew Edwards Building #14).

### Entry Requirements

- Completion of High School Year 11 in Australia, or competencies that demonstrate equivalence at a comparable level.
- Mature-age students or learners from disadvantaged groups without the minimum educational requirements for entry, who are able to demonstrate through interview/testimonials/work samples, the maturity and motivation to succeed in the course may be granted special entry.
- Successful completion of a subject specific Language, Literacy and Numeracy test.
- Students seeking entry into Biology, Chemistry or Physics are required to have undertaken at least one year of science in their senior high school studies.
- Students seeking entry into Mathematical Methods are required to have undertaken at least one year of a maths subject in their senior high school studies.
- Students may only enrol in one course at a time.

### How to apply

To apply online, please go to [uqcollege.uq.edu.au/study-options/bridging-program](https://uqcollege.uq.edu.au/study-options/bridging-program)

Applications open 31 July 2023 and close 13 November 2023
