Programs that commence in Semester 1 only.

* Students undertaking these programs must obtain the higher English Language proficiency as per UQ's requirements.

^ Students undertaking this program must complete a situational judgement test: please refer to study.uq.edu.au

What do you want to study at UQ?

You can use this table to find out the GPA, English language requirements, and courses required to progress to your chosen program.

All courses are graded from 1-7, with 7 being the highest. GPA refers to the Grade Point Average of all five courses: Academic English, General Mathematics or Mathematical Methods plus

three elective courses. Some undergraduate programs do not require mathematics.

Refer to study.uq.edu.au for details.

A passing grade in all courses is the minimum entry requirement for entry to UQ. For additional requirements, refer to individual degrees below.

Entrance to dual degrees must meet the requirements of both individual degrees. There are limited places in Bachelor of Occupational Therapy, Physiotherapy, Midwifery, Speech Pathology and Veterinary Science. Academic English proficiency requirements for the Foundation Program may be higher for students seeking entry to these programs.

If the higher English proficiency requirement is not met prior to enrolment or if a finalised Academic English grade of 7 is not achieved, an accepted English language test that meets the UQ program's requirements will need to be taken and the required score achieved to meet UQ program admission requirements.

Please see the English Language Proficiency requirements on the UQ Future Students Website, study.uq.edu.au/admissions/English-language-requirements.

Entry requirements are subject to change. For up to date information on UQ program offerings please refer to study.uq.edu.au
