How to apply	Apply direct February 2025 intake September 2025 intake	Apply direct Applications open: Mid 2025	Apply direct Applications open: Mid March 2025
Next step to UQ	Apply through QTAC UQ Semester 1, 2026 program or UQ Semester 2, 2026 program	Apply through QTAC 2026 January round for UQ program	Apply through QTAC 2026 January round for UQ program
START PROGRAM AT THE UNIVERSITY OF QUEENSLAND			

“I am impressed with the academic quality of the course and the dedication of the teachers. They genuinely care about our personal growth. Being a part of UQ College feels like I am already a part of The University of Queensland. This has given me the confidence to pursue my career pathway even further.”

Taylor Maree Livesey-Abreu
Tertiary Preparation Program student

Tertiary Preparation Program

This program is designed to help you gain a Tertiary Selection Rank and meet undergraduate degree program pre-requisites.

Delivered at our St Lucia campus you'll get the feeling you're well on your way to reaching your goal of going to UQ. You'll be attending classes between 20 to 24 hours per week, with class sizes up to 25 students. You'll have access to our exclusive UQ College learning support services and teacher consultations in our dedicated UQ College Learning Centre plus access to the clubs and societies that all UQ students can enjoy.

START DATES	17 February 2025	8 September 2025
How to apply	Directly via the UQC website Submit the required documents	
Application closing date	20 January 2025	28 July 2025
Commence at UQ	Semester 1, 2026	Semester 2, 2026

Program

You can choose four to five courses from the suggested streams below to help meet the pre-requisites and or get a taste of what you may be studying in the faculty when you get to UQ. The option to mix courses from different streams is available and our team can provide you with advice on course selection when you enrol.

FACULTY	Faculty of Humanities, Arts and Social Sciences	Faculty of Business Economics and Law	Faculty of Engineering Architecture and IT	Faculty of Health, Medicine and Behavioural Sciences	Faculty of Science
CORE COURSE	Academic English				
Choose four electives based on undergraduate pre-requisite requirements. Note you can only choose one Mathematics course.	<ul style="list-style-type: none"> Behavioural Science Business Management Economics Humanities and Social Sciences Research 	<ul style="list-style-type: none"> Accounting Business Management Economics Research General Mathematics Mathematical Methods 	<ul style="list-style-type: none"> Chemistry Design Information Technology Physics General Mathematics Mathematical Methods 	<ul style="list-style-type: none"> Behavioural Science Biology Chemistry Health and Nutrition Physics General Mathematics Mathematical Methods 	<ul style="list-style-type: none"> Behavioural Science Biology Chemistry Health and Nutrition Physics General Mathematics Mathematical Methods
Students can attain a Selection Rank of up to 93					
Apply through QTAC					
THE UNIVERSITY OF QUEENSLAND UNDERGRADUATE DEGREE					

By completing the program, you can attain a Selection Rank up to 93 which will get you entry into most UQ programs when you apply through QTAC.

The other great thing about this course is that it is fully funded by the Federal Government, with no cost to you.

To be considered for the program you need to be at least 18 years old or have completed year 12.

For further information and to apply directly for our next intake, visit our website uqcollege.uq.edu.au/study-options/tpp

Bridging Program

If you have met the academic entry requirements, but need to complete an undergraduate prerequisite subject, this is your pathway. You have two options.

OPTION 1

Face to Face Bridging Program

Commence at UQ Semester 1, 2026

Experience studying at the St Lucia campus. This is an intensive short course taking place over four weeks. Successful completion of an individual course will satisfy the prerequisite requirements for The University of Queensland in:

- Mathematical Methods,
- Physics,
- Chemistry, or
- Biology

Date	November to December 2025
Class time	Monday to Friday, 9am to 5pm
Applications open	Mid 2025 - Check website for updates
Applications close	November, 2025

To support students from a Low Socio-Economic background, Regional students and Aboriginal and Torres Strait Islander students a bursary is available. Bursary places are limited.

On campus accommodation is also available. This includes 3 meals a day and an individual room.

For more information and to apply go to uqcollege.uq.edu.au/study-options/bridging-program

OPTION 2

Online Bridging Program

Commence at UQ Semester 1, 2026

Delivered online, you'll have the support you need to reach your goals. As a self-directed program, completion time will vary from student to student. Students investing 15 hours per week in their course can expect to complete the program within 10 weeks.

Successful completion of the program will satisfy prerequisite requirements for The University of Queensland in:

- General Mathematics, or
- Mathematical Methods

Date	Begins 14 April 2025
Applications open	Mid March, 2025
